

# FACILITY LAYOUT AND DESIGN

"Our recommendations improve capacity and boost production, for greater profitability. Whether you are relocating your facility or feel the need to expand, do not make a move until you call our Plant Layout consultants..."

What is the Best Time for Plant Layout Optimization?

- ✓ When you are relocating your production to a new location
- ✓ When you are starting to consider a new facility
- ✓ When you are running up against capacity constraints in your current location
- ✓ When you need to expand your facility to accommodate growing operations

Advantage

- ✓ Optimize the utilization of your space for its best value
- ✓ Avoid costly moving expenses and building hassles
- ✓ Get the most out of a new space from Day one
- ✓ Increase capacity with new efficiencies

"We offer a range of solutions and services to automate your processes"
