

# MONORAIL UNITS

"Unseen versatility in  
material handling"

Monorail systems are the space-saving way to make the most efficient use of valuable floor space.

The system has more points for hanging products, which increases the speed of the workflow enabling the products can move anywhere in the facility.

## Monorail Advantage

- ✓ A range of track sizes to handle a variety of loads, Easy installation Cost effective
- ✓ Conveniently accommodates lifting equipment
- ✓ Minimal maintenance required to keep them working effectively
- ✓ Manually pushed or gravity fed

## Our Services

Our services are focused to streamline processes and maximize their productivity. We specialize in services ranging from facility design stage to completion of final products to give you the optimal results.

- Process Automation
- Factory Design and Layout
- Quality Management Systems

"We offer a range of solutions and services to automate your processes"
